## MARK JOHNSTON NAMED VICE PRESIDENT OF OPERATIONS FOR DENNIS CORPORATION

April 25, 2014

**Columbia, SC** — Dennis Corporation is proud to announce that Mr. Mark Johnston has been named Vice President of Operations for Dennis Corporation. In addition to his new responsibilities, Mr. Johnston will continue to oversee the Information Technology, Facilities Management, and Financial divisions' daily activities.

Mr. Johnston's background is primarily in Information Technology. He is experienced in all areas of LAN/WAN management. He is a Microsoft Certified Professional with over 20 years of experience providing technical support in the Information Technology Field. Mr. Johnston also has extensive experience in facility and financial management.

"I look forward to continuing to serve Dennis Corporation and its clients. I am excited to step into this new role for a Company that I respect so much," said Mr. Johnston.

As Vice President, Mr. Johnston is joining a skilled team of key officers for Dennis Corporation, including Vice President, Frank Hribar and President, Dan Dennis.

"I am proud to have Mark as a Vice President to Dennis Corporation. He has put so much of his energy and heart into three divisions that are the structure of this company. I know he will put the same effort into this role as he moves forward," said Dan Dennis.

Dennis Corporation is a licensed engineering, surveying, construction management, and general contracting firm.
